# BRIDGE FOR DESIGN

# RUGS FLOORING

## ALTERNATIVE FLOORING

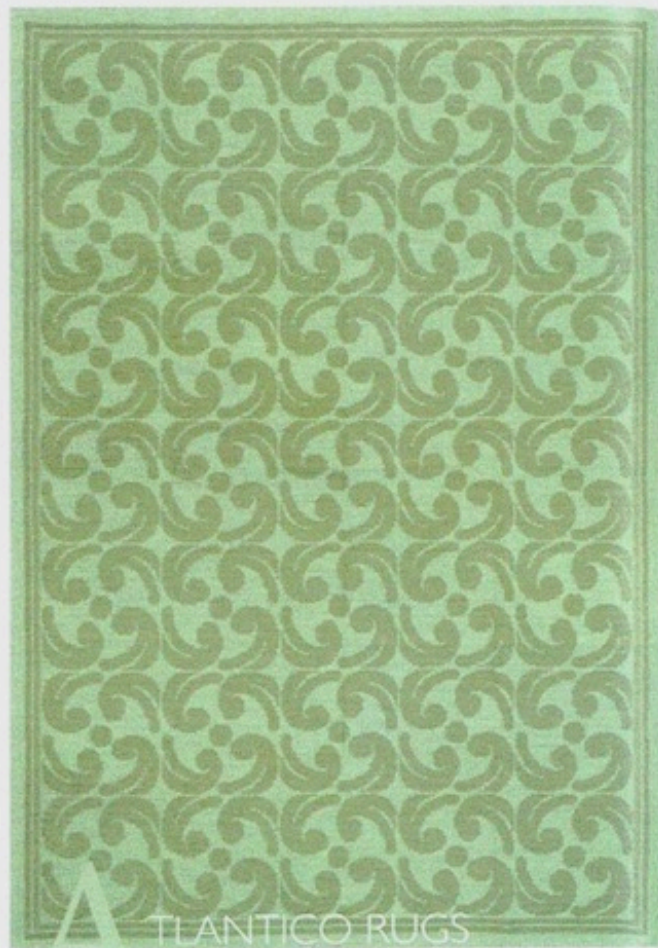

Alternative Flooring with Liberty Fabrics bring more patterns to the distinctive Quirky B carpet collection including Capello Shell - a design created to represent the rhyme

'Mary Mary quite contrary, how does your garden grow?' Today, cockleshells evoke symmetry and perfection, along with memories of the sea and the beauty of collecting, and this stunning design beautifully captures the geometry and simplicity of sea shells in a delightfully elegant pattern. ## DASH & ALBERT

Dash & Albert's fresh and fun woven cotton rugs are full of character and so adaptable, they make themselves at home in any room. Constructed using a hand loomed flat weave in durable 100% cotton, these rugs are lightweight, reversible and affordable in a range of colours and styles so you can find something to fit any design scheme. ## ATLANTICO RUGS

Enrolado, one of the new exclusive geometric designs from Atlantico Rugs. This year, Atlantico Rugs have produced a series of modern geometric patterns to add to their extensive library of designs that has made them one of the leading rug suppliers. With such a wide range of modern and traditional patterns they can provide a rug for any interior scheme. T: +44 (0) 208 780 5288 | [www.atlanticorugs.com](http://www.atlanticorugs.com)
