### LIGHT GLAMOUR

If you've always wanted an elegant, statement light fitting for your bathroom, check out CP Hart's new Torcello Dry S6 chandelier, which has an IP65 rating, making it suitable for wet environments such as above the bath and shower. Designed by Studio Stile Masiero, the Torcello is made from water-resistant acrylic glass and polycarbonate, and also comes in 12, 18 and 24-arm versions. H125xDia.68cm, £1,170.

### SOFT STONE

Alternative Flooring has added a luxurious marble-look design to its collection of deep pile, 100 per cent wool carpets. Woven by hand on traditional looms, Barefoot Marble, shown above in Katni (natural tones), is also available in Abu (dark grey), and Morwad (light grey), from £73.45 per m<sup>2</sup>.

### PASTEL WITH IMPACT

Update your bathroom with a statement roll-top in a subtle pastel shade. Luxury bath manufacturer Catchpole & Rye offers a wide range of painted finishes on its traditional tubs, including this French Empire design in Blue, from £5,400 - ideal for complementing a period scheme.

### Smart control

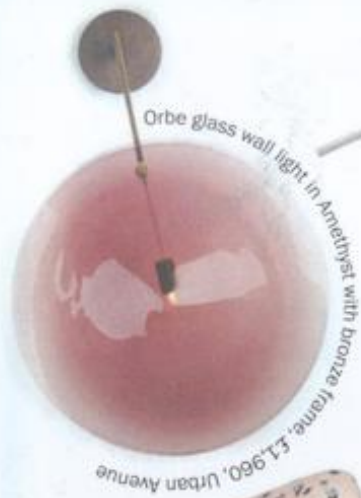

The new Belgravia digital range from Crosswater allows you to precisely control your water's flow and temperature at the touch of a button. Intuitive and easy to install, it is beautifully crafted in polished chrome-plated brass with classic ceramic indices and an LED temperature indicator.
