New Year HONOURS LIST 2017

Who would you like to see in *The English Home* New Year Honours List 2017? Nominate your favourite brands of 2016 and you could help spread the word about inspiring people and products and allow a business or brand – whether fledgling or established – to shine.

Simply visit the New Year Honours List page on *The English Home* website (address below) and let us know if, for instance, you love a particular scented candle, have a much-admired collection of china or frequent an interiors emporium you think deserves to be more widely known. We would love to hear from you. The chosen brands will then be published in our January 2017 edition.

The categories are:

- **Best home/lifestyle retailer**
Which retailer stocks the brands that inspire you?
- **Best independent home/lifestyle shop**
Which shop resonates most with the interior decor of your home?
- **Best kitchenware brand**
Tell us which china you collect, which oven-to-tableware is best or which kitchen textiles you adore (and more).
- **Best home scent range**
Which brand do you think offers the best quality? And which is your all-time favourite fragrance?
- **Best interiors blog**
Which online blog do you find inspiring and regularly visit?
